Hanna Early College High School Pathways in Technology: Biotechnology Student participation in work-based learning experiences

The P-Tech program is in its second year; no certificates have been earned.

Feb. 9, 2021	P-Tech students virtually tour Valley Regional Medical Center. Various careers are showcased. The benefit of "stackable" degrees and real-world experience are discussed in an interactive environment.	100% of P-Tech students attend and participate
TBA	Dr. Deborah Overath and her students at TSC share college-level investigations, and give Hanna P-Tech students a view of next-level academic preparation for actual careers in biotech.	100% of P-Tech students attend and participate
TBA	P-Tech students virtually tour Valley Baptist Medical Center. Various careers are showcased. Students virtually see how class content relates to real-world experiences.	100% of P-Tech students attend and participate
