TITLE I-A FAMILY ENGAGEMENT POLICY

2019-2020

HANNA EARLY COLLEGE HIGH SCHOOL

I. STATEMENT OF PURPOSE

Hanna ECHS is committed to providing quality education to every student in the district. Partnerships with parents and the community are essential to this goal as neither home nor school can achieve this goal independently. Everyone gains if school and home work together to promote high student achievement. Parents play an important role as children's first teacher and their support is critical to their children's success. Hanna ECHS intends to include parents in all aspects of the district's Title I-A programs to create a school-home partnership that will promote student success.

Grade level goals for all children in Hanna ECHS will be distributed to parents with the expectation that *all* students will work toward these goals. Hanna ECHS recognizes that some students may need the extra assistance of Title I-A programs to reach these goals and is committed to providing that support.

Special attention will be given to recruiting parent volunteers of children served in the Title I-A programs, with a goal of having at least two parents of each campus on the committee. The purpose of this meeting is to provide parents with information regarding Title I-A guidelines and services offered utilizing Title I-A funds as stated in the current Family Engagement Policy. The Family Engagement Policy will also be distributed to parents. Parents will be given the opportunity to offer their suggestions for any revisions to the policy. Parents may also volunteer to serve on either the district-wide or individual school's advisory committee or both.

BISD does not discriminate on the basis of race, color, national origin, sex, religion, age, disability or genetic information in employment or provision of services, programs or activities.

The annual Title I-A meeting will be held at flexible times to increase the opportunity for parental participation. English and Spanish translation will be available. Written notices in both languages will be sent to parents notifying them of the date and times of the meetings. Parent volunteers, parent trainers, and parent liaisons will also contact other parents by phone regarding the meetings. Volunteers who speak both English and Spanish will make all contacts.

IV. SCHOOL-PARENT-STUDENT COMPACT

According to Title I-A regulations, Hanna ECHS must share responsibility with parents for high student achievement by jointly developing a School-Parent-Student Compact. These compacts must outline the responsibilities of parents, staff, and students for promoting high student performance. Parents on Hanna ECHS Advisory Committee must be involved in designing the compacts. Students' responsibilities may vary by grade level.

All parents will receive the compact from their child's school with a checklist of the responsibilities that teachers, parents, and students have for helping students achieve their goals.

Parents are urged to discuss the compact with their children before they and their children sign the document. The School-Parent-Student Compact will be posted on the campus website.

V. TYPES OF FAMILY ENGAGEMENT

Hanna ECHS will provide opportunities for parent engagement to become involved in their children's education. Hanna ECHS values both the at-home contributions of parents and those that take place at the school or in the community. Reading to children at home and talking with them at family meals are as important as volunteering at school and serving on advisory committees. Many types of family engagement are needed in school-home-community partnership to help all children succeed. In alignment with BISD's philosophy and mission, each Campus Improvement Plan (CIP) must include a family engagement component. All parent and community volunteers must comply with the district policy regarding State of Texas background checks.

Parents will also be asked for their input on the content and effectiveness of the Title I-A Family Engagement programs through an annual evaluation of the program.
