Step 4:

First time access to student profile will require accepting terms and conditions

Step 5:

User will need to select whether they are a "Student" or a "Teacher".

Step 6:

Once in Google Classroom you may join a class in 2 different ways:

1st – If a teacher has sent the student a classroom invitation, the student can click on "Join" and he will be joined to that class.

2nd – If no invitation has been received, the student may click on the "+" sign at the top right of the Classroom window :
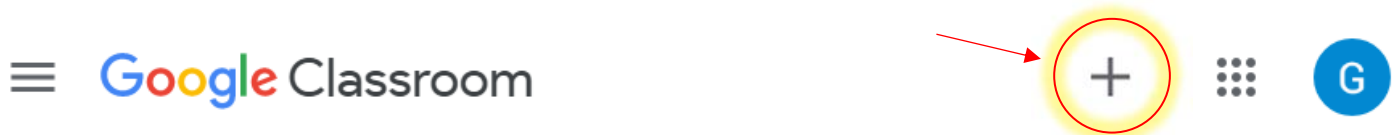

and a Join Class dialogue will appear that will allow the student to input a Class Code allowing them to join a given classroom.

Step 7:

Many teachers have already sent a Classroom Invitation to Students, but if a Teacher invite to a specific Class is not listed at the Home page of a Students Classroom, then please visit the Hanna Online Classroom Directory webpage to search for Class Codes by teacher:
